### CURRICULAR ASPECTS

#### 1.1 - Curricular Planning and Implementation

##### 1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

1. When new students enter in an institution, they come with diverse thoughts, backgrounds and preparations. It is important to help them to adjust to the new environment and inculcates in them the ethos of the institution. These students are normally unaware of campus/college scenario. In order to ease their transition into college, one day Orientation Program for first year students was conducted in the college. Through fresher orientation, students are able to meet with other students, become familiar with campus services, faculty, rules and regulation. Its purpose is to make the students feel comfortable in their new environment. It creates bonding between the batch and faculty. To deliver planned curriculum, faculty members prepare lesson plans and upload it on the college website and same is displayed on the Notice board. Faculty has to deliver their lectures during the semester according to lesson plans. Documentation is maintained in the form of attendance records. While the academic curriculum and its calendar are governed by the GJUS&T, Hisar. The Time Table Committee of the College headed by time table incharge plans and ensure effective and timely implementation of the curriculum through infrastructural planning i.e. as per number of classrooms. Lectures, Seminars and Workshops by eminent personalities from academics, are held regularly to enhance the curriculum which is application-oriented.

##### 1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

Before the commencement of the academic session, the University publishes the schedule of the academic calendar for affiliating colleges. It contains admission schedule, Teaching terms, vacations, examinations on one hand and on the other hand, the guidelines for online admissions, for various courses and subjects, number of intakes, reservation policy, merit criteria, regulations, and other eligibility conditions, list of holidays, etc uploaded online on Higher Education portal which is easily accessible to the admission aspirants and teachers. All the HODs and Conveners of various committees, clubs and societies prepare the list of events that they would be conducted during the semester and the same is displayed on the departmental notice board to inform the students. It helps in effective curriculum delivery and sets the roadmap for various academic and extension activities in the college. The calendar is helpful for the students and the teachers as they can plan their participation in various activities well in advance as per schedule.

## 2.2 - Catering to Student Diversity

### 2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

Teachers interact with all the students throughout the academic session during classes and other occasions & identify the students as per their pace. Teachers provide materials and necessary guidance to meet out the needs of advanced learners in mentor groups. For slow learners, fundamentals of the subjects are taught in classes and extra care is provided to such a section of students, their queries are addressed, they are regularly given tests and assignments. The mentor plays a crucial role to motivate the slow learners. Advanced learners are encouraged and facilitated to read beyond the prescribed syllabus and are given access to reference books, lecture notes, online study material to supplement their learning. They are also motivated to discuss the latest issues related to the socioeconomic and political scenario. Placement Cell is equipped with the rich title of competitive books especially related to UGC NET, JRF, Bank PO exams, etc. The students exhibiting

extraordinary performance are provided opportunities to participate in Inter college, Inter-University, National and International competitions, particularly in the sports and cultural activities, Quiz competitions and Motivational Lectures are organized for students.

### 2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

To make the learning student-centric, teachers encourage class participation of students through question-answer, class assignments, tests, and discussion on different issues. Group assignment as the part of regular teaching and evaluation process along with other activities like NSS, subject society activities like group discussions, quiz, debate, declamation, poster presentation, powerpoint presentation, rangoli and participation in the organization of college functions help students in learning through collaborative efforts. Moreover, the facility of computer and library encourages students to do self-study and improve themselves. The annual college magazine is a platform to give free play to their imagination and to think critically about different matters. Initiation through practical works in labs (Dept. of Computer science, chemistry, physics, etc.) and collection of first-hand information through field visits and educational tours are helpful in nurturing critical thinking & creativity in students.

Learning through the use of the Internet, powerpoint presentation, is part of a college regular teaching-learning process. College is well equipped with Wi-Fi access points facility for the internet.

**2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words**

Enhanced use of computers in teaching and making teaching more students centric and participatory through effective use of assignments are some of the measures that add to the teaching pattern going on earlier. These practices help in making teaching and more relevant for students in changing scenario. In order to involve the students in the learning process the teachers invite the students who volunteer themselves for this activity, are given the task and the class is encouraged to raise questions on the related issues. In covid-19 pandemic, most of the teacher emphasize on the blended teaching & learning mode. Teachers used various ICT tools such as Google meet, Zoom, You Tube, google classroom etc in their daily teaching.

**2.5 - Evaluation Process and Reforms**

**2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.**

The College has a strong Internal Evaluation System which tests and assesses the comprehension of the students through class tests, assignments, powerpoint presentations and group discussions and role play. This helps in evaluating the students' learning levels and accordingly remedial actions are taken through mentoring and other academic counseling mechanisms to enable them to perform better in the end semester examinations. Each faculty member gives two assignments in each class in all subjects. The assignments are properly evaluated. The marks of internal assessments are displayed on the notice board. Being an affiliated college, the internal evaluation system is as per the guidelines issued by affiliating University. In each course (Subject/ Paper), internal assessment weightage is for B.A. 20% and 30% for B.com-I & B.com-II of total marks and is awarded on the basis of one class test, attendance, two assignment work as well as general behavior of the student in the class. The institution through the college prospectus, timely notices, announcements during general assembly and mentor classes, deliberations during staff meetings make students and faculty aware of the evaluation process. All the students are informed about their performance in-class tests, assignments, and attendance by displaying on notice boards and in classrooms also. Students having any type of grievances can approach the concerned subject teacher or university incharge for timely redressal. Each faculty member prepares the absentee slips on a daily basis and submits it to the concerned official in the college office.

### 2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

Complaint to individual teachers and if unheard then to the Principal is the mechanism for redressal of grievances. All grievances are successfully handled through these processes. There is a Three-Tier time-bound, transparent and efficient system to deal with examination related grievances. At the Department level, grievance regarding internal assessment is handled by the respective subject teacher and Head of the concerned department immediately at the departmental level. At College Level, committee comprising of senior teachers ensure the effective redressal of grievances of the students regarding examinations and internal assessment. The committee ensures the proper and timely display of the date sheet on the notice board. The committee also instructs the office to prepare a schedule of distribution of admit cards to students conveniently to save the time of students. At University Level, If somewhere the fault is at the university level, students' complaints are being forwarded to the concerned authorities of the university for redressal. In addition to the above, the

students who due to some unavoidable reasons are unable to write examinations are provided with writers as per the affiliating University examination regulations. Whenever a grievance regarding nondeclaration or error is their individual result; showing absent in the examination; nonreceipt of award and DMC; duplicate DMC; Degree; misprinting the award list; revaluation forms, etc is received, the letters are forwarded to the controller of examinations and other competitive authorities as the case may be in this way all the grievances are resolved in a time-bound and effective manner.

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

Getting knowledge in the concerned subjects measured by marks in the examination is the obviously stated learning outcome of the institution. Students and staff are made aware of syllabus & outcomes through classroom interactions, general student assembly, staff meetings, tutorial meetings, mentor groups, notices and engagements at different levels during participation in Extra-curricular activities including NSS, sports and cultural functions. The curriculum and syllabus are discussed with all the students in the beginning of the session. The syllabus of all the subjects are displayed on the website along with program outcomes and course outcomes. The outcomes are evaluated through group discussions, class tests, minor tests, presentations etc.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The college encourages feedback from all constituent units of the college viz. the students, faculty members, non-teaching staff, parents and alumni orally through meeting. During admissions, the college also provides additional contact details as support services. The

IQAC solicits quality based feedback and suggestions from faculty, non-teaching staff, students, parents of the students, alumni and employers. Further, departmental level feedback is taken from faculty and students to enhance the teaching-learning process.

Various feedback boxes have been installed at strategic places such as near IQAC office and principal office. These feedback boxes are opened periodically and the feedback so received is duly analysed. The analysis of such feedback is done on an institutional level and in case of any grievance, the appropriate department initiates an inquiry and proposes suitable action to be taken by the Principal. In order to receive feedback from Students, Questionnaires will be filled up by the student which will be properly analyzed so that the Quality of Education can be improved.

The curriculum and syllabus are discussed with all the students in the beginning of the session. The syllabus of all the subjects are displayed on the website. The outcomes are evaluated through group discussion, class test & presentations, etc.

### 4.3 - IT Infrastructure

#### 4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

Here are some points that highlight the importance of upgrading IT infrastructure in the college.

- Upgrading technology can Increase productivity.
- Upgrading technology can help the computers to run better and faster.
- Upgrading technology can reduce downtime.
- Upgrading new devices with the old ones because old devices can wear out with time.
- Installing new softwares on new devices can help us to ensure that everything will work as it should.

When we talk about technology in education, we recall the utility of technologies like audio-visual aids, machines and equipment such as TV, overhead projector, computers for education etc. Technology is that element of development which is almost found in every part of our culture, affecting how we live, play, work and learn. With technological advancement in the world through the invention of mobile and wireless devices, its has become really important for the education sector to get a hold of this technology with teaching-learning process. Integration of technology in higher education has revolutionized the learning process. Incorporating technology in the curriculum offers a dynamic as well as collaborative learning experience to students.

### 6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

Haryana Govt. has introduced the Performance Based Appraisal System(PBAS) for teaching and non-teaching staff in the Govt. colleges and universities as per UGC guidelines. All faculty members fill prescribed Performa for self-appraisal. The performance appraisal report is to be filled by the teaching staff in a given prescribed performa which includes three main categories i.e. contains Teaching, Learning, and Evaluation-Related Activities. Category two contains Co-curricular, Extension and Professional Development Related Activities. And Category three is mainly focused on Research and Academic Contributions. The PBAS Performa is a primary mean of assessing a faculty member for the purpose of promotion under Career Advancement Schemes (CAS) and awards. The Performance Appraisal Reports (PBAs) provide good feedback to faculty. The overall report is further reviewed by the Principal and the Convener of IQAC and final performance functioning status is setup and confidentially recorded in the office. Secondly, ACR (Annual Confidential Report) is filled by each and every teaching staff. This is mandatory for every teaching and nonteaching member. Non-teaching staff:- Every non-teaching staff member is assessed for his/her performance according to his/her works, duties and responsibilities assigned by the Principal. ACR (Annual Confidential Report) is filled by every nonteaching staff member and according to his/her work, grading is assigned by the principal. The systematic procedure has helped the principal to motivate the employees for better performance.

The college started functioning in HANSI, in 1970, offering seven subjects with few students. Now there are approximately 1569 students studying in various streams. Prominent among the courses offered presently are B.A., B.Com, B.Sc. Non-Medical, M.Com., M.A English. Courses like B.Com., M.Com., B.Sc. ( Non Medical) provide excellent opportunities in the area of Banking, Indian Economic Services, Re-search, Business , Self employment and State and Central government Services. Study of Language opens up various opportunities in the area of Journalism, Public Relations, Writing, Translation and Mass Communication. By achieving excellence in sports our students are getting good jobs in Govt. Sector and private sector too. Through Fashion Designing course. We are enhancing the possibility and employability in various sectors and give chances to girls for self employment too. The laboratories are upgraded and other infrastructure is also being added as needed onthe regular basis. Most of the students belong to backward rural areas of Haryana. Their parents are reluctant to send their daughters to co-educational colleges. This college has been catering the needs of this conservative section of Society. The safe and secure environment of the college encourages parents to send their daughters for higher education.
