ACTION TAKEN REPORT

- Having goals helps students focus and create a set of achievements during a specific time. Through goal-setting, you will learn to focus your time and resources more efficiently. If a student wishes to get a higher grade, improve athletic skills, or achieve a new leadership position, they must first set goals for success.
- Mentors shall be asked to take proper care of mentees and asked for their consent regarding any issue.
- The conveners of various clubs activities will be asked to give exposure to students regarding the benefits of participations co-curricular activities so that students' motivation level remain high.
